

February 18, 1976

February 26th. Signed Senator Schmit, Chairman. Mr. President, your committee on Judiciary to whom was referred LB 744 instructs me to report the same to the Legislature the recommendation it be indefinitely postponed; LB 748 indefinitely postponed. Signed Senator Luedtke, Chairman. Mr. President, I move for the introduction of the attached bills. Signed by Senator Marvel. It is a capital constructions bill.

PRESIDENT: Senator Marvel.

SENATOR MARVEL: The motion is up there. I am doing this on behalf of the majority of the Committee and this is an attempt to put into one bill, and you have a statement of intent on your desk that has to do with Request #1485 to reaffirm capital construction items that we passed on in past years and to reappropriate unexpended balances. All this has to do with capital construction. This bill has had public hearing and what this request is, first of all, the bill be introduced and the second part of the request is that the bill be placed on General File since we have already had a public hearing. Now, Vince is that all in one motion or is that two motions? Okay, the first motion is that we get permission to introduce the bill.

PRESIDENT: All right. Any further discussion on that? The question is the introduction of the bill. Record your vote. This takes 30 votes. Record.

CLERK: 31 ayes, 0 nays on the motion to introduce.

PRESIDENT: The bill is introduced.

CLERK: Mr. President, LB 1004 introduced by the Appropriations Committee. Read title. See pages 708 and 709, Journal. Mr. President, I move to suspend the rules and place LB 1004 directly on General File without a public hearing.

PRESIDENT: Any discussion. The question is the suspension of the rules to place the bill on the floor. Record your vote. Please vote. Record.

CLERK: 31 ayes, 0 nays, Mr. President.

PRESIDENT: Motion carries. Senator Barnett, do you have anything?

SENATOR BARNETT: Yes, I do. If I could get unanimous consent to add that paragraph. It is okay with the introducer. It would eliminate a vote, if that is possible.

PRESIDENT: Is there an objection? Seeing none.

SENATOR BARNETT: Unanimous consent to add the new paragraph, if you want to read it, Vince.

CLERK: The paragraph is as follows: The results of the hearing will determine if a study committee should be formed to study the issue during the interim.
